MEMORANDUM FOR: Chief, Operations School, OTR

THROUGH : DDP/TRO

SUBJECT : Tutorial Instruction - [REDACTED] 25X1A9a

1. Despite our recent conversations on the subject, I felt that for the record I should recap what [REDACTED] situation is and what we hope to accomplish in the way of tutorial instruction for him. 25X1A9a

2. [REDACTED] is presently on home leave following the completion of a tour of duty in Southeast Asia. On approximately 20 October he will depart [REDACTED] to assume the duties of Chief of Station. 25X1A6a

3. We had hoped to schedule him for the SB Operations Course, the EUR Operations Course, and the COS Seminar before his departure. Unfortunately, prior commitments of instructors and facilities necessitated the scheduling of the second running of the EUR Course in direct conflict with the next COS Seminar.

4. Faced with this conflict, Chief, European Division, opted for the EUR Course for [REDACTED] and DDP approval to that effect has been obtained.

5. We would like, nevertheless, for [REDACTED] to receive as much of the COS Seminar material as possible on a tutorial basis - as you and I discussed. He will be available for such instruction from approximately 20 August to 16 September. Since we have made arrangements for him to receive half-day tutorial language instruction during this same period, and since the language instructor prefers morning sessions, it would be extremely helpful if the COS Seminar briefings could 25X1A9a

be scheduled during the afternoon hours whenever possible, although I feel certain the language arrangement is sufficiently flexible to permit ad hoc rescheduling as necessary.

6. The Division is most grateful for your cooperation and assistance in this matter.
